Melli Kisməs from the Research Centre:

As we approach 2025, we want to express our heartfelt gratitude to everyone who has been part of our journey this year. We are especially thankful for the connections we've forged, the stories we've been entrusted to share, and the collaborations that make this work so meaningful. Our office will be closed from December 23rd to January 3rd while we all recharge from the busy year.

Thank you to everyone who has been part of this journey. Wishing you a joyful holiday season and a bright, healthy & hopeful year to come!
